Directors Notes

It's good to be back. Bernice and I had a wonderful vacation and really appreciate **Gordon Loy** filling in for me last week. Thanks so much, Gordon.

We had a great turnout at our Ditchfield Family Best of Broadway shows, and had the opportunity to advertise the Chorus of the Keys Inspirational concert in August. We're already getting requests for tickets, so that's a good sign. It's time to turn our focus on learning the music in the next three weeks so that we can polish our familiar pieces and bring our new ones up to standard in time for our performance. We'll also be introducing our new Christmas repertoire, and of course, our new 2008 show repertoire over the next few months, so let's get back to work.

Onward and Upward,

Stephen

CARE OF THE NEW UNIFORMS

The new tux jackets should **always** be dry cleaned—**never washed**. The new formal trousers may be washed, but **should** really be dry cleaned. It is urged that they be dry cleaned only. The vest should **never** be washed: **must** be dry cleaned when soiled. **ALL PIECES, AFTER EACH SHOW.**

In case you haven't noticed, there is an extra button on the inside pocket of the tux jacket. It is suggested that it be removed to a safe storage place. **Please remember where you store it!!!!**

Each vest has an extra button sewed to the inside lining, It will probably be safer if you remove it & put it with the jacket button.

Thank you for your cooperation, Jack Webber
