## Directors Notes

Gentlemen! We're just two months away from our Inspirational concerts at Church of the Palms, and we've got two chorus commitments to fulfill in the meantime. It's our annual "thank you" to First Baptist for their generous hosting of our chapter in this building for more years than I can remember. They continue to keep the charges to a minimum so that we can afford to rehearse here weekly, and they accommodate us on occasions when we need extra rehearsals or special events. In appreciation of their kindness and support, we like to provide the inspirational music in one of their services while their choir is out for the summer. Please do your best to be there.

On July 22nd, a small contingent of chorus members will be singing at Church of the Palms to promote our upcoming Inspirational Concert a few weeks later. This gives the congregation a sample of what they'll enjoy on August 10th & 11th, but also provides the special music for Church of the Palms while their choir is on vacation. It's a win/win situation, and we're really grateful that we have the opportunity to serve our community in this way, while at the same time sharing the love of our hobby with so many new folks. **Gary Raulerson** and **Dick Zarfos** will be helping me put together the small group for Church of the Palms, so if you're interested in joining us, be sure you know your music.

**My Three Sons** are headed to Harmony Explosion this week to work with 100 teenaged boys and their music educators in an expanded youth music festival format. We'll be teaching the boys 5 songs for performance on the Saturday evening show, June 16th at Sizzle, at USF in Orlando. (So incidentally, My Three Sons have just expanded their repertoire by 5 new songs—we've been busy!! "The Prayer of the Children" in one of the numbers. It's an impressive piece which we're happy to be adding to the Ditchfields' segment of the Inspirational Concert in August.)

We'll be in Orlando on Sunday morning, joined by the ladies of the family, to do the Worship Service for a large corporate convention at the Rosen Shingle Creek Resort. It's a great way to spend

### CARE OF THE NEW UNIFORMS

The new tux jackets should **always** be dry cleaned—**never washed**. The new formal trousers may be washed, but **should** really be dry cleaned. It is urged that they be dry cleaned only. The vest should **never** be washed: **must** be dry cleaned when soiled. **ALL PIECES, AFTER EACH SHOW.**

In case you haven't noticed, there is an extra button on the inside pocket of the tux jacket. It is suggested that it be removed to a safe storage place. **Please remember where you store it!!!!**

Each vest has an extra button sewed to the inside lining, It will probably be safer if you remove it & put it with the jacket button.

Thank you for your cooperation,  
Jack Webber
