Director's Notes

TIME, TALENT & TREASURE

As we enter the second half of year 2009, it is energizing to reflect on the accomplishments of the SCOK-One Voice effort thus far. An outstanding spring show, a Sunshine District championship, a commitment to a Christmas Repertoire and Holiday performances, a head start on the 2010 spring show and a knockout contest package for fall 2009 and beyond. All this in less than six months.

With our path set in motion, it behooves us to take stock of our most valuable resources- Time, Talent & Treasure.

TIME- is duration or an interval separating two points on a continuum. It is expressed as a unit or number, such as years, days or minutes, representing such an interval.

TALENT- is a natural endowment of a superior quality. It is a marked innate ability, such as artistic accomplishment or a special gift.

TREASURE- can be expressed as valuable or precious possessions of any kind.

We all have a finite number of hours in the day, week, month and year. The challenge is HOW to use that time. Each of us has unique talent. We are gifted in multiple and diverse ways. The opportunities that life presents require a different skill set for every encounter. Resources, in today's marketplace, must be managed wisely. We cannot allocate assets the way we did- EVEN AS RECENTLY AS A COUPLE OF MONTHS AGO!

So...what's the point? The point is that we all have a blend of time, talent and treasure. Each member of the SCOK-One Voice has the opportunity to contribute one, two or all THREE of these resources in any combination. Some guys have a natural music ability. others are born leaders while many find satisfaction in support roles. Organizational abilities are bountiful in a select group. Several have been blessed with the ability to generate and or manage financial matters at a highly proficient level.

NOW is when your skill set is needed the most. As a thriving and growing organization, it is our privilege and responsibility to marshal our collective talents and strive for excellence. We have upcoming performance opportunities, a contest preparation retreat to co-ordinate, the upcoming cabaret to support, the promotion of our new CD, the mastering of a new show, Christmas and contest repertoire, the refining of our current song selection, possible new community outreach projects, a decision for a BHS sponsored cruise and the ongoing recruiting of new barbershop singers on the gulf beaches. The blend of your time, talent and treasure is required NOW more than ever.

It is a very exciting 'thing' we've got going on and isn't it GREAT to be a member of a happening 'thing'. One, Two, THREE... Chorus of the Keys. We are...ONE VOICE!

JULY 18 & 19

We have a very busy, fun-filled and hopefully profitable weekend planned for July 18 & 19.

Sat. July 18, 9:00 am, One Voice Rehearsal
Sat. July 18, 8:00 pm, Concert at Glenridge
Sun. July 19, 10:00 am, Service at First
Methodist Church in downtown Bradenton
Sun. July 19, 2:30 pm, Concert at Glenridge

This is an ambitious schedule, but it is designed to help generate some much-needed revenue. Accordingly, we hope that every singer who participates; sells from 7 to 10 tickets for the concerts at Glenridge. They are a bargain at \$15 each. Additionally, we hope that those of you who can't sing that weekend will still buy several tickets to show your support.

BROADWAY BAR & GRILL

There were ONLY 2 of us at the Broadway last week. We are getting the EARLY BIRD prices on what we order. Pitchers are available for us also. They also have pizza, pasta, sandwiches, appetizers, salads and soups for those who are hungry. Hope to see you there. editorken
