Director's Notes

"I have been impressed with the urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do."

Leonardo da Vinci

"The Best"...in a most excellent way or manner. The supreme effort one can make. It is the person who is most outstanding and someone who tops all others. To outdo, get the better of, or possessing the most positive qualities...the superlative of good.

Tina Turner, one of the world's most popular entertainers, known for her energetic stage presence, powerful vocals, career longevity and widespread appeal said it BEST in one of her monster hit singles.

**You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart,
I hang on every word you say**

Try and fail, but don't fail to try. Successful people aren't born that way. They become successful by establishing the habit of doing things unsuccessful people don't like to do. The successful people don't always like these things themselves; they just get on and do them. Here at the Chorus of the Keys, we know we have a busy and action packed road ahead.

Over the next ten months, our plate is overflowing with opportunities and challenges. My father would often exhort the tough to get going as the going gets tough. Dad was a wise man.

Gentlemen, on Super Bowl Sunday, destiny was realized. It is amazing to think that an entire city can take claim to a football victory. Yet the coaches, players and people of New Orleans alike, are happy and proud to share in this accomplishment. The underdog prevails— victorious.

We can learn a lesson from this accomplishment. If we share in the workload, spread the joy and embrace the team effort, we can ALL revel in the spoils of victory...with EVERY task we undertake. What we want to do, and what we can do, is limited only by what we are able to dream. So dream BIG and dream...**Simply The Best!**
